

Watch out !!!

The runner has to be born before 2004, September 6. To validate definitively your registration, you will have to supply us necessarily a medical certificate dating at least from one year to the date of the Médoc's Marathon 2024.

Since July 2015, the Athletic Licence can not be more accepted such as medical certificate. Tanks type bicycles are forbidden. Only pulled or pushed tanks are allowed

no medical certificate = no bib

Tutti Quanti will refuse to deliver the bib without document well informed !
